Dear Caucus Leaders:

By October 15, please use this survey to submit:

- 1) the domain hub or hubs your caucus will join for at least the next year
- 2) your caucus delegate for each hub you plan to join.

You may want to take a look at the domain hub [startup vision statements and suggested initiatives](#).

Also, below are policies surrounding caucus participation in a domain hub, the role of the domain hub delegate, and how delegates are selected, which will help with appointing a delegate(s) for your caucus.

Again, please provide this information no later than end of day **October 15**. Please feel free to call (312.419.9094) or email Tomi Gunn if you have any questions at all. Thank you!!

Policies Governing Caucuses, Domain Hubs, and Community Council

5.8. Caucus Participation in a Domain Hub

A caucus must participate in a minimum of one (1) domain hub and may participate in multiple hubs, with the requirement that the caucus appoint a domain hub delegate to each domain hub it participates in. **No one shall serve in two or more caucus leadership roles simultaneously (e.g., caucus chair, domain hub delegate), including across multiple caucuses.**

5.7. Caucus Leadership Positions and Roles

The duties of domain hub delegates shall be to:

- participate on their Caucus Executive Committee
- participate in domain hub meetings and contribute to its strategy and activities and behalf of the caucus
- communicate domain hub activities and issues to the Executive Committee and caucus membership

The duties of the Caucus Executive Committee shall be to:

- have general supervision of the affairs of the caucus between its meetings, fix the time and place of meetings, and make recommendations to the membership
- appoint their domain hub delegate or delegates to each associated domain hub; caucuses shall define the nominating process for making these appointments, and domain hub delegates shall be appointed from among caucus members
